

Oak Creek Homes  
Are built by builders  
With over 36 years  
of home building

Experience.

Our homes are constructed in a controlled environment. Our quality named brand building materials are never exposed to the outside elements and every aspect of the home building process is closely inspected to all local building codes, this ensures a better built home for less money.

- ✍ 7 Year Warranty
- ✍ Turn key Build-out
- ✍ Competitive Insurance
- ✍ Financing options
- ✍ Multi-home Display

With multiple display homes setup at our Factory display center on the West bank and a full factory service center on the North shore. You can both customize your home the way you dreamed it and have the piece of mind of a professional service them locally not out of state.

Oak Creek Homes is the leading Modular home supplier in the Greater New Orleans area. By purchasing factory direct you save thousands. This allows you to cut out the builder in the Middle and enables us to build on your lot in your budget.
